Marketing Materials

Marketing materials that refer to sample premiums will be updated twice per year; not for each reprice. Currently, sample rates are from 10.15.2021. Please check the 'Rates as of' date in the disclosure for each piece. Premiums should always be quoted online and sample rates provided in marketing materials should not be used as a means for quoting premiums with clients or prospects. Please take advantage of the option to post materials that link to our servers; doing so assures that you'll have access to the most current version available.

Marketing resources are posted to our [term webpage](#). Materials created by Legal & General America can be used without further compliance approval.

Advertising Guidelines

Distribution partners with Banner Life BGA or BMGA-1 contracts and agencies with William Penn GA contracts are allowed to advertise Banner Life/William Penn products to agents/brokers. Sub-agencies are also allowed to advertise to agents/brokers; general agency affiliation must be disclosed. You are required to identify your agency's name as it appears on your contract. DBAs are allowed as long as the contract name is also included. Agency address is required; phone numbers or website addresses are optional. Marketing materials are intended for broker distribution only, not for consumers, unless specified. Marketing materials (in any media form) independently developed by your agency must be approved by our legal department for regulatory compliance prior to their use. There are two versions of the approval request form, advertising or social media and website. Find links to request forms and compliance guidelines below:

Highlights

What's Changed?

More reductions, especially in the non-tobacco classes, mean more #1 pricing than any other carrier.

Changes to level period premium rates include a mix of increases and decreases, across level term periods (10 - 40 years). Both annual and monthly rates are highly competitive.
