

Premier Brokerage Services presents an

EXCLUSIVE UNDERWRITING EVENT

with American General

Save the Date

On October 6th, Premier will be hosting a Senior Underwriter from AIG in our office. We will have the opportunity to present tough cases and aggressively push for the most competitive offers. This is a fantastic opportunity for us to look at any of your impaired risk cases, either past or present, and negotiate the best offer for your client.

We have had many success stories with these events and have been able to resurrect cases once thought to be unplaceable!

We are only able to offer this event once a year. We will need to have all case requirements in house by **September 15th**, to allow enough time to compile the file and evaluate before the event.

The minimum premium for the event is \$20,000!

Please contact your sales rep at 800.543.5555 for more information.
